**Contact Mark to request additions or changes to the website.**

**Tracy Skyliners website: <http://www.tracyskyliners.com>**

---

## November Meeting Minutes

Reminders from the November meeting:

### **Old Business:**

John Elliott said this will probably be the last meeting held until March. Last winter we tried to hold meetings at Safeway, but very few showed up. Mark Maral will forward any important information by email and the website. Since about 80% of the membership is currently receiving their newsletter online, there will be no more newsletters sent through the mail. It is expensive and a lot of work for the amount being mailed.

Doug Fahrney asked members when taking off and landing to clearly communicate their intentions with other pilots. Doug also reminded everybody there is to be **NO** aerobatic flying directly over the runway or pit area. This area should be kept clear for safe takeoffs and landings. Flying directly over the runway is a real distraction to other pilots.

## Dues Reminder

This is a reminder that 2004 Club dues need to be received by the

club by the end of March 2004. Please send your payment made out to Tracy Skyliners to the PO Box address noted in the banner above. Dues for returning open adult membership is \$30 and \$15 for Junior members.

## March Club Meeting

The next Club meeting will be held at the Flying Field on Sunday, March 7<sup>th</sup>, 2004 at 10:00am

## Club Newsletter Reminder

This is the last Club Newsletter which will be sent via U.S. Mail. The newsletter will be available online via the Club website. Those of you who wish to be notified when the newsletter is posted to the website will need to provide me your email address. Any new members who have not provided me their email address should do this as well. If you do not want me to have your email address then you can assume that the newsletter will be posted to the website the last week of the month. If you do not have email perhaps you can view the newsletter and website at a neighbor's house or library. You can send your email address to Mark Maral at [maral@charter.net](mailto:maral@charter.net)
