## April Meeting Minutes

**Roll Call:** 22 Members present

**Guest:** N/A

**Treasurer Report:** The report is not printed online. If you need a copy contact Gene Moore

**New Members:** Tom Bennett and Jack DeSelle

**Old Business:**

None

**New Business:**

**New Transmitter Stand:** The new transmitter stand is now up. You will note there are some orange-painted clips. If you are flying on 2.4Ghz or Ham you must clip your membership card to one of the orange clips. There are still to be no more than 5 planes flying at any given time which equals the number of pilot stations we have.

**New Toilet:** A pad for the new porta-potty was poured. The new porta-potty has been delivered and bolted down. It will be serviced this week. Do not use it until it has been serviced.

**Helicopters:** A helicopter pad was poured north of the pit area and is now usable.

**Upcoming project:** The next big project will be to paint. We will

look to do this some time in May or June. We'll need someone with a generator and airless sprayers (and a calm day).

**New Garbage Can:** We have a new garbage can thanks to Michael Nadeau. He will be making sure it gets emptied. Please make sure you deposit your trash in the can and that you secure the lid.

**Upcoming Events/Swap Meets:**

**Memorial Weekend:** IMAA Giant scale fly-in at Chowchilla airport
