New Members:

Old Business:

Run up Benches: Thanks to Wes McCann we now have two new run up benches positioned at each end of the pit area. Thanks Wes!

New Business:

Discussed the location of the helipad. It has been determined that hovering will take place over on the taxi-way away from the pit area. Helicopter pilots can fly to the east over the farmers field.

John Elliott picked up some clear plastic name/badge holders to put your AMA and Club cards in. He distributed them at the meeting to those who wanted one. I believe he got them at Staples.

End of year raffle will have a couple of extra special prizes. John has re-built a complete super stick donated by Pete Bowen. Also, Pete has donated a nice starter box for the year end raffle.

Field Clean Up Day:

Thanks to everyone who pitched in and helped at the field clean up day. The runway and surrounding area looks great.

Glen Hutchens:

All of you probably know this, but Glen Hutchens passed away recently. Glen will be sorely missed, especially for those who flew with him on Wednesday and Fridays. He was a wonderful pilot and just a really nice person.

Upcoming Events/Swap Meets:

Due to the 4th of July the next Club meeting will be on July 9th.
