July Meeting Minutes

Roll Call: 16 members present

Treasurer Report: The treasury report is not posted online. If you require a copy please contact Gene Moore.

New Members: Jose Alvarado

Old Business: John Elliott reminded members of the workday scheduled for July 27th. This is necessary to prepare for the resurfacing of the runway scheduled for July 29th. The runway will be extended 50 to 75 feet on the north end. Walter Brandhorst volunteered to pick up the new carpet and foam insulation for the pilot stations. The foam will be installed on the poles top to bottom to accommodate high and low wing airplanes. Pete Thompson offered to check into finding and pricing new netting.

New Business: John Elliott is asking for a volunteer to design and build a new transmitter stand. Also, there are brackets for another bench that need to be mounted in the opening at the north end of the pit area. The club will supply all of the materials needed to complete these jobs. If anyone is interested in taking on one of these tasks, contact one of the club officers.

Guests: Terry Baker

Field Looks Great!

I would like to thank all the members that showed up last Sunday to help clean up the field and prep the runway for the resurface. We got a lot completed in a short time and the field looks great!!

Club Newsletter/Website

Just a reminder that if you have the capability to view the newsletter via the website and are currently receiving the newsletter via the mail please consider using the website instead. If you would rather not provide your email address for notification of when the newsletter is posted that is not a problem as the newsletter is normally posted to the website the week prior to the club meeting.

Also, if you have something you would like to contribute to the newsletter or website please to not hesitate to contact Mark Maral at maral@charter.net

It is also very important that if you change your email address please contact Mark so you can continue to receive the newsletter notification as well as any other club information distributed via email.

Upcoming Events
