Treasurer Report: The treasury report is not posted online. If you require a copy please contact Gene Moore.

New Members: Terry Baker, Chris Huhn, Etan Hirschfeld, Bob Convery

Old Business: Now that the runway has been resurfaced, new carpet and foam will be put down in the pilot stations. This has been scheduled for Sunday, August 10th. The job should take about an hour to accomplish

New Business: John Elliott asked pilots to use an overflow can when fueling to help keep the new carpets from becoming saturated with oil and dirt.

Club meetings will continue to be held at the field through November. Then we may not hold another meeting until January or February due to traditional low attendance during that time of the year. Members will be sent an email informing them when the next meeting will be. This information will also be posted to the website when it becomes available.

Field Transformation Continues

Thanks to Pete Thompson we now have new safety netting across the flightline as well as a new transmitter tray for the impound station. Thanks Pete!
