## August Meeting Minutes

**Roll Call:** 12 members present

**Guest:** 1 guest present

**Treasurer Report:** The report is not printed online. If you need a copy contact Gene Moore

**New Members:** None

**Old Business:** None

**New Business:**

**Membership:** Membership is still full. Provide your name to Gene Moore to be put on the waiting list.

**Entrance Gate:** The city will be removing all the locks from the entrance gate for which they don't have keys for. Ours is still there. The combination can be found on your 2005 Membership card.

**Giant Scale Fly-In:** John noted that there will be a giant scale fly-in at the Woodland-Davis Aeromodelers club site. This will be on Aug. 20<sup>th</sup>. They are also having a Jet Fly-In on Oct. 8<sup>th</sup>

### **Safety Fence Replacement:**

The plastic safety fence is scheduled to be replaced the weekend of Aug 13<sup>th</sup>. There will be no flying on Sat. until the fence is replaced.

The fence will be of the chainlink variety. Take care not to contact the fence with your antenna while flying or this may cause loss of control of your aircraft.

**Electric Flight Safety:** Pete Bowen discussed flightline safety for electric flyers. Pete noted that electric planes should be treated the same as glow and gas planes in that they should not be started on the benches and that they should be unplugged when leaving the flightline.
