Newsletter and Email Reminder

Just a reminder that the Newsletter is emailed to those members who have provided me an email address. Also, email along with the website are the two tools we currently use to communicate time-sensitive information to the membership. If you change your email address please email at maral@charter.net so I can update my email list.

I have also set up a discussion group on <http://lists.topica.com/login.html> You have to register (it's FREE) and then request to be added to the Tracy Skyliners list. Or you can email me and I can add you. It is a useful way to communicate information between members.
