September Meeting Minutes

Roll Call: 22 members present

Treasurer Report: The treasury report is not posted online. If you require a copy please see the treasurer.

New Members: None

Old Business: John Elliott acknowledged all the members that have given their time and effort to improve our flying site this summer. Now that the new carpet, pole padding, and netting have been installed, we have a real nice place to fly. The new netting is not as forgiving to aircraft as the old netting was, but serves it's purpose of protecting people in the pits.

New Business: Pete Thompson built a stainless steel top for our transmitter impound. At a later date, the rest of the impound will also be fabricated out of stainless steel. This should eliminate it's use as firewood by vandals.

Club meetings will continue to be held at the field through November. Then we may not hold another meeting until January or February due to traditional low attendance during that time of the year. Members will be sent an email informing them when the next meeting will be. This information will also be posted to the

website when it becomes available.

Guests: None

Meeting Adjourned: 10:35 AM

Upcoming Events

Next Club Meeting: Sunday, Oct. 5th, at 10:00 AM
Tracy Skyliner Field.

If any members know of any upcoming local or not so local events that you would like me to place in the newsletter or on the website just drop me an email. Thanks, Mark
