October Meeting Minutes

Roll Call: 24 Members present
Guest: 1

Treasurer Report: The report is not printed online. If you need a copy contact Gene Moore

New Members:
Old Business: None

New Business:

Club Logo Decals: We now have Club decals available. They are 2"x3" and are of the Club logo. They are great to add to a plane, field box, car, etc. They are $3 each. See John Elliott or pick them up at the next Club meeting.

Field Status: Some of you may have read the articles in the local paper about the possible sale of the property the field resides on. At this time there appears to be no immediate concerns. Before this can occur the city must seek approval from the FAA and none of the required steps to do this has taken place. Just to get that process underway and completed would take upwards of 2 years.

Garbage can lid missing in action: The lid to garbage can has gone missing. At the moment there is a piece of wood covering the can. If that is not replaced and garbage escapes then we will be removing the can and members will be requested to take their garbage with them when they leave the field.

Access Gate: It appears the farmer has been leaving the access gate to the field open. As long as it is not our lock that is open then we are not required to lock the gate, however if it is our lock that is open then we need to make sure we lock the gate.

Smoking in the Port-a-Potty: Apparently, some members are using the Port-a-Potty as a smoking room and then throwing the butts down the drain. This is **NOT ACCEPTABLE.**

Final Club Meeting , Elections and Raffle: November 4th marks the final Club meeting of the year. Elections for Club officers will also take place at this meeting. If you are interested in becoming a Club officer then please attend this meeting. Also, this will be the final raffle of the year. **The Grand Prize will be a Trainer 60 with an OS 60 engine.** The winner will be chosen from the raffle tickets sold this year so hopefully you held onto those tickets you bought throughout the year and make sure you bring them to the meeting.

Club Dues: It's getting close to that time of the year again. Club dues are due by December 31st. Also, your AMA membership must be paid as well. Dues remain the same as in the past - $30 for members and $15 for Juniors/Family member. You can pay them at the next meeting or send them to the Club attention Gene Moore at PO Box 793 Tracy, CA 95378

Upcoming Events:
Saturday Oct 13th is the Modaire Hobbies No Tax Sale. There will no sales tax on store purchased items or items ordered and paid for that day.
