New Business:

Field Access: John Elliott reported that he was contacted by Tracy Airport regarding the access to our field. It is required that we enter the field through the access road off Durham-Ferry. DO NOT enter through the farmer's entrance. Also, when entering the field the speed is not to exceed 10MPH. This is to reduce the amount of dust created and to try and minimize dust mites getting on the crops. If we don't adhere to these requirements it could potentially impact our ability to keep the field.

Elections: Elections were held and all the current officers will remain in office for 2007

Club Meetings: The November meeting was the last meeting of the year. The next Club meeting will be March 4th, 2007

Club and AMA Dues: Club and AMA dues are due no later than December 31, 2006. This is per the new Club bylaws. Dues remain the same as they were for 2006. If you need to know how much they are they are posted on the website under Membership Info. Dues can be sent to:

Tracy Skyliners
Attn. Gene Moore
